  - At the classroom level: Teachers review data to address their needs.

- Parent: Are there common standards among different states?
- Response: A number of states have adopted Common Core Standards (30+) and a number of them take the same Smarter Balanced Assessment.
  
- Parent: More after school Title 1 programs? Another school does a lot of afterschool programs.
- Response: Funding is based on enrollment (school size) and number of qualified students. The other school mentioned also hires contracted agencies which we have not yet done, but can look at if funds are available.
