

March 26, 2026

Waiialua Complex Families,

We are pleased to be able to welcome students back to campus tomorrow, Friday, March 27. Our staff has been busy working to restock food, clean and prepare for everyone's return. Here is what we have in place to ensure a safe and welcoming return for our students:

- Portable water bottle filling stations throughout campus.
- Water bottles for each student to ensure everyone has clean drinking water.
- Portable hand-washing stations, and extra antibacterial wipes and sanitizer in each room

Additional counselors will be available starting tomorrow to support students as we navigate this recovery together.

We have partnered with the Hawai'i Foodbank and will have bags of nonperishable food available for students in need to take home on Friday, March 27. Please allow for a little extra time during pick up for food distribution to families who would benefit from these donations.

We look forward to seeing our students back on campus!

With Aloha,

*The Principals of the Waiialua Complex*
