The ESSENCE of Hale`iwa...Live life to the fullest with honor, respect, kindness and love to make the world a better place

March 18, 2020

Dear Parents and Guardians of Hale`iwa Elementary Students,

We hope that everyone is well and finding ways to enjoy your spring break during these extraordinary circumstances because of COVID-19. With the announcement as of today (March 18, 2020) that students are anticipated to return to school on April 7, Hale`iwa Elementary is sending this packet to provide students and their families with learning resources while face to face classes are not in session.

Enclosed in this packet are the following:

- A sheet that details the various FREE online learning resources that students and families may access
- Sheets that provide STUDENT SPECIFIC login information for the different online programs that students use at school
 - Please note that different grade levels use different online programs. So if you have children in different grades, they will have a different set of handouts depending on their homeroom teacher

We realize that not everyone has a device that may be compatible with the school's online learning programs or that not everyone has reliable internet access. If you would prefer that we provide your child(ren) with a "hard copy packet" of school work, we are happy to do that -- to the extent possible. Please email us at haleiwaschool@haleiwa.k12.hi.us to request a hard copy packet. We will do our best to mail the hard copy packet(s) to your home so that your child(ren) can continue to access learning opportunities while school is not in session.

If you have any questions or concerns, please contact us at haleiwaschool@haleiwa.k12.hi.us. This email address will be monitored frequently. You should expect a response within 24 hours. Please also check our school website, haleiwaelementary.com, for updated information from the school. For the most up to date information from the Hawaii DOE, you can go to hawaiipublicschools.org

Please take care of yourselves and be safe during these difficult times. We wish everyone the best.

Sincerely,

Malaea Wetzel
Principal
